You may contact the school for additional information or assistance at any time. (Bullying, cyberbullying, harassment, and intimidation definitions are provided below.)

### DEFINITIONS

**BULLYING** —is unwanted, demeaning behavior among students that involves a real or perceived power imbalance. The behavior is repeated, or is highly likely to be repeated, over time. In order to be considered bullying, the behavior must be intentional and include 1) An imbalance of power (students who bully use their physical, emotional, social, or academic power to control, exclude, or harm others) and 2) Repetition (bullying behaviors happen more than once or are highly likely to be repeated based on evidence gathered).

**CYBERBULLYING** —is bullying transmitted by means of personal mobile devices through electronic communication that allows individuals to view or share content. Cyberbullying includes sending, posting, or sharing personal or private information about someone causing embarrassment or humiliation.

**HARASSMENT** —includes actual or perceived negative actions that offend, ridicule, or demean another student with regard to race, ethnicity, national origin, immigration status, family/parental or marital status, sex, sexual orientation, gender identity, gender expression, religion, ancestry, physical attributes, socioeconomic status, physical or mental ability, or disability.

**INTIMIDATION** —is any communication or action directed against another student that threatens or induces a sense of fear and/or inferiority. Retaliation may be considered a form of intimidation.
