To: **ALL PARENTS**

From: Attala County Federal Programs

Date: August 5, 2016

As a parent of a student attending school in the Attala County School District, you have the right to know the professional qualifications of the classroom teachers who instruct your child. Federal law allows you to ask for certain information about your child's classroom teachers and requires us to give you this information in a timely manner if you ask for it. Specifically, you have the right to ask for the following information about each of your child's classroom teachers:

- Whether the Mississippi Department of Education has licensed or qualified the teacher for the grades and subjects he or she teaches.
- Whether the Mississippi Department of Education has decided that the teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances.
- The teacher's college major; whether the teacher has any advanced degrees and, if so, the subject of the degrees, and the field of discipline of the certification or degree; and
- Whether any teachers' aides or similar paraprofessionals provide services to your child and, if they do, their qualifications.

If you would like to receive any of this information, please call the principal of the school at which your child attends.
